1

Skin Care Lotion

Skincare Lotion combats pollution and removes dirt while catering to oily skin. It forms a protective barrier that defends against sun rays and pollution. Overall, it promotes healthier, cleaner, and well-protected skin.

2

Premium Conditioner

Premium conditioner is specifically designed to provide excellent conditioning for your hair. When used in conjunction with Indrani Premium Shampoo, it enhances hair volume, softness, and suppleness. Additionally, it leaves a refreshing and soothing fragrance that is light and clean.

3

Hand and Body Lotion

Hand and Body Lotion provides nourishment and moisturization for your skin. It deeply nourishes the skin, providing essential nutrients for a healthy complexion. With this product, you can achieve nourished and moisturized skin, promoting a radiant and youthful appearance.

4

Amla Hair Oil

Amla Hair Oil provides multiple benefits for both hair and skin. It strengthens hair, eliminates dandruff, and prevents hair loss. It also reduces oxidative stress and inflammation, offering protection against chronic diseases. Additionally, it moisturizes the skin, promoting overall health and well-being.

5

Premium Shampoo

Premium Shampoo is specifically formulated to give your hair a fuller appearance. It has a light, clean, and soothing fragrance, adding to the overall experience. When used in combination with Indrani Premium Conditioner, it enhances hair volume, softness, and suppleness.

6

Shower Gel

Shower Gel provides long-lasting hydration for the skin, ensuring it stays moisturized throughout the day. It imparts a feeling of freshness and vitality, helping you feel energized all day long.

Additionally, it aids in reducing perspiration, keeping you feeling comfortable. Moreover, it is effective in thoroughly cleansing the body, leaving you feeling refreshed and rejuvenated.

7

Face Wash

This facial cleanser offers a gentle and effective cleansing experience for the face. It not only removes impurities but also helps maintain the softness of the skin. By preventing the side effects that may arise from using traditional soap, it ensures a gentle and nourishing cleanse.

8

Maximum Moisturiser

Maximum Moisturiser is specifically designed to provide intense moisturization to the skin. It effectively moisturizes the skin, helping to retain its natural moisture. In addition to that, it works towards reducing and eliminating wrinkles, contributing to a smoother and more youthful appearance.

9

Hand Soap

Hand Soap is a gentle and effective cleansing solution for maintaining impeccable hand hygiene. Our hand soap is specially formulated to remove dirt, grime, and bacteria, leaving your hands feeling clean, refreshed, and nourished. With a rich lather and a soothing fragrance, it provides a luxurious sensory experience while effectively washing away impurities.
