

INDRANI COSMETICS

FOR TIMELESS BEAUTY

Our Story

Indrani Cosmetics was formed on 21st July 1993. The company laid the foundation in the cosmetic industry in Maharashtra as one of the first pioneers of manufacturing cosmetics. We pride our self on our uniqueness and extensive range of products. We

have 102 products in our line which are all known for their excellent results and specialties. We manufacture all of our products with extensive care and research. We have extensive reach in the Indian market with multiple distributors and outlets.

We also export products to markets around the world. Each product in its line has gone through extensive testing and innovation. The company has completed 25 years in the industry and going strong.

We use the best quality ingredients for making our products. We do not believe in subsidizing quality for the sake of profits. Along with our wide range of products also comes our constant urge for research and development on new products.
